PORN BABE RILEY REID STRIPS IN LOCKDOWN

BOW-WOW: Dog gets petted by horny star

MOST of us have given up dressing smart while in lockdown.

But porn angel Riley Reid has gone a step further – she's ditched clothes altogether.

Snaps posted to the cock-hungry bombshell's Instagram page show her doing household chores in the buff.

In one raunchy image, naked Riley, 28, unloads the dishwasher, while another picture shows the Yank babe typing on her laptop in the garden.

When the star erotic actress feels like wearing clothes, she tends to stick to just undies.

Satisfied

In a racy photo, she wears nothing but a red thong as she plays with her dog in the garden.

One fan remarked: "If COVID-19 doesn't take you out, can I?"

Another wrote: "I wish I was quarantined with you."

As well as keeping fans satisfied with sexy snaps during lockdown, Riley has been doing her bit to keep them safe too.

On Instagram, the Pornhub actress urged everyone to sign the *#ImLiveWithFriends* petition.

The campaign, started by webcam firm I'm Live, encourages singletons to stop meeting up.

Instead, it asks them to connect with erotic stars online.

What's more, I'm Live is even donating money to charity for each person who gets involved in their initiative.

Vile sex trolls target Love Island Maura

Such a hottie bet she's a right goer in the sack

By SIMON DEAN

LOVE Island **beauty Maura Higgins has become the latest reality TV star to bring out the vilest lusts of drooling fans.**

The sick comments came soon after it was reported lovely Maura had become a millionaire after securing a huge deal with sexy lingerie chain Ann Summers.

The Irish beauty, 29, has been working with the firm since appearing on the 2019 series of the popular show.

It's also been claimed that Maura has earned £500,000 from online fashion outfit Boohoo for her collections, too.

But while most people are happy to show their admiration for the babe – and the stunning shots she posts of her in the lingerie she designed – others have sunk to vile SEX remarks.

Slavered

When news of Maura's millionaire status was reported on the Daily Mail's website, one reader even made a revolting SCAT comment.

Scottish Jamie from Glasgow slavered: "I would use her pypy as toothpaste and make steak bakes with her dung".

Meanwhile, *Road Runner 99* from London drooled: "Such a hottie bet she's a right goer in the sack."

A pal of Maura said: "Maura's no prude but the idea of eating her excrement in a steak bake is nothing short of revolting.

"Still, she's canny and this won't put her off making her fortune."

Kim double 'would be impossible'

A FAMOUS Kim Jong-un impersonator says there's no way the North Korean dictator could find a convincing body double in the starving nation – because he's too FAT.

Hong Kong-based Howard X said: "He's not just chubby, he's really fat. Where are you going to find a fat person in North Korea?" To feed them both, the bill would be through the roof."

The impersonator, who's in his early 40s, said he maintains a pudgy physique through a strict regime of "not exercising", but he still weighs about 50 pounds less than the tubby tyrant.

It's been claimed recent public appearances by Kim after rumours of his death were staged by a lookalike.

MY UNSUNG HERO

by Samantha Swan, 21, 32DD, from Southport

'Whole street came out to applaud my next door nurse – she was delighted'

I'M from Southport and my neighbour is a nurse at Southport and Formby District General Hospital.

You know, it's a strange thing but we've lived next door to each other for years and I don't even know her name.

We always say hello, though.

My heart goes out to all the doctors and nurses who are working so hard – not just at Southport and Formby hospital, but at all the hospitals up and down the country.

It must seem overwhelming at times, but my neighbour is always smiling.

When she went out to start her shift the other morning, the whole street came out to applaud her.

She looked delighted – and a bit embarrassed.

What a hero!

Stadium gigs May be dead after COVID

HUGE stadium gigs could be a thing of the past in a post-COVID world, says Queen guitarist Brian May.

The 72-year-old rocker (*above*) has warned musicians may need to "rethink" whether touring and playing to large crowds is "appropriate" after the death plague.

May had been set to embark on a Queen tour this year but postponed the dates until 2021 due to the global pandemic.

He told the BBC's *Coronavirus Newscast*: "I don't know if it's going to be appropriate to be putting 18,000 people in a confined space and playing music to them. I think we all have to look at this very carefully.

"Will it be appropriate for people to be charging around the world on jumbo jets and using up fossil fuels and polluting the Earth?

"I'm not sure. I think we have to rethink absolutely everything."

The music industry has been thrown into chaos by the pandemic, with live performances stopped around the world in a bid to halt the spread of the virus.

It has had a massive financial impact for many musicians and major events like the Glastonbury Festival have been cancelled or postponed.

TELLY STEPH'S DWARF DOUBLE SHAT IN MY HANGING BASKET

ON HOLD: The real Steph on new C4 show

SOILED: Helena (*right*) and (*below*) Alan with hanging basket

SUNDAY SPORT EXCLUSIVE

By SIMON DEAN
simon@sundaysport.co.uk

LIVING next door to a celebrity lookalike midget is surely a dream come true, right?

WRONG!

Because for Alan Frobisher – whose neighbour is a diddy doppelganger of telly amazon Steph McGovern – it's a NIGHTMARE.

Three years ago pint-sized Helena Walls – a part-time Steph McGovern midget tribute act – moved into 47-year-old Alan's quiet close in Droitwich, Worcs.

And life was never the same again.

He told *Sunday Sport*: "All her little midget friends started coming round and partying late into the night.

"Lord, what a racket!

"Panto time is the worst, because then they've got plenty of cash in their little pockets.

Discrimination

"And you can't complain – they say it's 'their culture' and complaining is 'discrimination'."

But it got even worse on Wednesday when Alan caught 34-year-old Walls using one of his prized hanging baskets to do a PLOP in!

He said: "I yelled out, 'Oi! Get down, you little bugger – you'll have the bracket off the wall!' And do you know what she did? She just looked at me, all insolent, like.

"That's the trouble with these folk – they know you can't lay a finger on them or they'll have the law on you."

Having raised almost 1,000 begonias from seed and propagated more than 200 pelargoniums from cuttings, Alan was confident of his baskets winning a gold award at this year's Droitwich in Bloom event.

He said: "I've been Highly Commended for the past six years and I reckoned – especially with the garden centres being closed and many people not able to get hold of plants – I'd win gold this year."

But Alan fears mini-Steph emptying her bite-sized bowels over his display may have scuppered his chances.

He said: "When a judge looks at my hanging basket, he's going to think, 'Is that the basket the midget shat in?'

"It's bound to make him mark me down… it's human nature."

Last night Walls was far too drunk to comment.

Meanwhile, the full-sized Steph McGovern has been upsetting neighbours, too.

The sturdy Teessider – who rose to fame presenting the business news on *BBC Breakfast* – stopped producing her Channel 4 lunchtime show at home after her neighbours became unhappy with the constant disruption.

The former BBC presenter launched *The Steph Show* at her Harrogate property while studios in nearby Leeds were off limits due to the coronavirus.

But making the show at home "stretched the patience of neighbours" according to a C4 executive, and the series has been paused until studio space becomes available.

Emily R: Cash from modelling is great

MODEL Emily Ratajkowski has revealed she is penning a book of essays that will take the form of a memoir "with added political thinking".

The British-born American pin-up and actress said: "I'm trying to use my experience as a model and someone who has capitalised on their image and also someone who has been maybe a victim of their image."

Emily, 28 (*below*), also discussed the way she's capitalised on her image – saying it has been about "survival" rather than a representation of who she is.

She said: "Modelling was an amazing way to make money and gain stability."

Emily, who shot to fame in 2012 after starring in Robin Thicke's music video for his hit song *Blurred Lines*, added that she was not expecting to become a celebrity.

She said: "Fame wasn't something I had expected, although deep down every girl wants to be famous."

Footie ace faces jail over w*nk at flats

FOOTBALL star Farid El Melali has issued a grovelling apology after allegedly being caught MASTURBATING outside a neighbour's flat.

The 22-year-old Algerian – who plays for French Ligue 1 side Angers – was nicked by police after reportedly pleasuring himself in the courtyard of his building while looking into a woman's flat through her window.

El Melali's arrest came just hours after he signed a new contract with Angers until 2023.

The midfielder has since been charged with indecent exposure.

A spokesman for the prosecutor said: "El Melali owned up to committing the deeds while he was in custody.

"He then returned to his home."

El Melali (*right*) now faces a maximum of 12 months behind bars and a £13,000 fine.

His lawyer said: "He wasn't targeting anyone and wasn't aggressive."

El Melali issued a public apology on social media, saying: "I want to apologise to my family, my friends and the fans of my dear club Angers, as well as my fellow Algerians."

Mac signs up for Horror sex scene

HOME Alone star Macaulay Culkin was seduced into joining the forthcoming new series of *American Horror Story* by the offer of shooting a SEX SCENE with Hollywood legend Kathy Bates!

Series creator Ryan Murphy said he offered the 39-year-old actor a "very, very great, insane part".

Murphy added: "I told him he has crazy, erotic sex with Kathy Bates and does other things.

"He paused and then said, 'This sounds like the role I was born to play.' So, he signed up!"

Oscar winner Bates, 71, has been a favourite of the series since its third season, subtitled *Coven*, is which she played Madame Delphine LaLaurie.

Since his child acting days, Culkin (*left*) has rarely appeared in movies or on TV.

Murphy added: "I have always loved Macaulay's work. I love everything that he's done. I love the stuff he did in *Home Alone*. I also love the more recent stuff he did.

"And he hasn't worked in a while."

Nonce jailed after hiding out in a tent

A HIGH-risk sex offender went "off the radar" by living in a TENT in a park and using another name.

Sheldon Liam Bateson, 34 (*above*), claimed he lost track of the days since his ex-girlfriend kicked him out and hadn't registered with the police.

He was living rough under canvas at Witton Park in Blackburn, Lancs.

But jailing him for a total of 70 weeks at Burnley Crown Court, District Judge Joanne Hirst said Bateson had been given a chance to demonstrate he could comply with requirements of the Sex Offenders' Register and had failed.

The judge added: "You are a high risk, repetitive offender who has committed serious sexual offences in the past."

Bateson had been made subject to an 18-week suspended prison sentence in December and was required to notify the police of any change of address or name.

CONFRONTED: Colin was caught with teen's pants

IN DEMAND: Face masks could soon be in short supply

UPROAR AS COLIN CAUGHT IN NEIGHBOUR'S BACK GARDEN

WHEN Boris Johnson gives details of his "road map" to lifting the lockdown tonight, it is likely face masks will play a part.

By SIMON DEAN
simon@sundaysport.co.uk

While many scientists are divided on the effectiveness of masks in preventing the spread of coronavirus, it's pretty certain we'll all be wearing them soon.

And with masks certain to be in high demand, Colin Brearley started looking around for material that he could fashion a homemade one from.

And he found the perfect textile on next door's washing line…

Colin, of Goole, East Yorks, told *Sunday Sport*: "I saw this flimsy little garment and thought, 'That's just the thing'. So I hopped over the hedge, put it over my face and breathed deeply in and out.

"It was perfect."

Unfortunately, the 'flimsy little garment' Colin plucked from the line was a pair of crisp, white panties belonging to his neighbour's 17-year-old daughter.

And when neighbour Susan Dawson, 45, saw what was going on, she "misread" the situation.

Bastard

Colin said: "She came out screaming, calling me a perv, a nonce and a dirty bastard – I was totally bemused.

"She asked, 'What the f**k are you doing, sniffing our Kayleigh's knickers?' That's when I realised my little test must have looked like I was sniffing the panties.

"Honestly, some folk are always ready to assume the worst!"

Last night Mrs Dawson said: "He IS a perv, and he knows he is.

"I should report him!"

'Naked bin van joy ride' case on hold

THE case of a Norwegian tycoon accused of taking a bin lorry on a naked drink-driving rampage in Dublin city-centre has been delayed by four months.

Rune Skinnarland, 55, was in the Irish capital on a business trip when he allegedly got into the lorry and drove it into the door of an apartment building, causing thousands of euros worth of damage in September last year.

Mr Skinnarland, who is from Norway but has an address at a hotel in Dublin, had been granted bail after he lodged £2,000 last year.

His case was back before Dublin District Court but he did not have to attend.

Due to the COVID-19 crisis, Judge Colin Daly adjourned it, along with other cases, to a date in September.

THE VOICE OF YOUR BRITAIN

The sniffs & butts of lockdown

MANY good things have come from this lockdown.

A renewed sense of community spirit, gratitude for our public services, and the renaissance of the local shop.

Even the airs and the waters of this fair island are cleaner while our wildlife thrives as the greasy hand of commerce is lifted slightly from the countryside.

But there are downsides…

The stifling of industry promises a future of poverty and despair, while the shadow of the Chinese death plague continues to threaten.

And an unpleasant side to the normally-cheery British character has emerged.

A judgmental, telltale side.

While, of course, we all bear responsibility for ensuring social distancing is observed, some have used the cover of official sanction to snitch on their neighbours for spiteful reasons.

So when a man is seen innocently examining panties belonging to his neighbour's teenage daughter, he is slandered as a pervert.

When he presses that crisp, white material to his face and inhales deeply, it is assumed he is sniffing them for depraved goals.

And that poor man's name is dragged through the mud.

No matter that he was merely testing the fabric for its efficiency as an anti-virus face mask.

By the time the truth had got its boots on, the lie was already scampering across the parish.

How terribly sad that our great national effort to vanquish this dreadful disease has exposed such base nastiness lurking in the British soul.

ED ITV SHOW, HERE'S A LOOK BACK AT...

THE JUICIEST CELEBRITY BITS

By SIMON DEAN
simon@sundaysport.co.uk

AS if we've not got enough bad news to deal with...

Now Holly Willoughby has confirmed she is leaving hit ITV show *Celebrity Juice* after "12 years of fantastic chaos".

Her departure follows that of her pal and fellow team captain Fearne Cotton, who quit the long-running series in 2018.

On Instagram the 39-year-old wrote: "All good things must come to an end and nothing lasts forever."

She added: "I'll be back as a guest and just to make sure someone is keeping you in check."

It's not yet known who will replace Holly, though previous favourite Michelle Keegan last week ruled herself out of the running – to the disappointment of dads all over Britain.

Celebrity Juice has to be the most outrageous showbiz quiz show ever broadcast and the stars who have appeared on it have never been afraid to make fools of themselves.

From telly chef Simon Rimmer "rimming" a sex doll to *This Morning* host Eamonn Holmes calling up glamour babes Alice Goodwin and Jenna Hoskins on Babestation, the late-night format can get VERY X-rated!

And who can forget Kelly Brook tonguing a giant rubbercock?

RON Marshall is one person who is desperately sad at Holly Willoughby leaving *Celebrity Juice*.

Ron, 57, claims he is the "biggest fan of *Celebrity Juice* in Biddulph" and few in the Staffordshire town would dare dispute that.

But today, for the first time, Ron has revealed the secret agony his devotion to Holly and *Celebrity Juice* has caused him.

In 2013, during the famous edition of the show where Holly kissed busty Kelly Book, Ron yanked the end of his cock CLEAN OFF!

TV GOLD: Holly and Kelly kiss

Single Ron told *Sunday Sport*: "It was the most amazing TV moment ever – and I'm old enough to remember the ruddy Moon landing!

"I recorded that clip and watched it over and over again throughout the night.

"Unfortunately, I'd had a bit of cider and was a bit too rough – I pulled my glans right off.

"The pain – and the cider – made me pass out.

"By the time I came to, the cat had chewed my bellend quite badly and despite the best attempts of the medics at North Staffs hospital, it could not be saved."

But Ron does not blame Holly, or indeed Kelly, for the mishap.

He added: "I may have lost the end of my knob but at the end of the day it was worth it for that moment of TV gold."

Newbie sex cammers are at risk from scammers

WOMEN turning to sex webcamming to make money during the lockdown have been warned it's no easy way to riches.

The coronacrisis is hitting women's pockets hard, with 17 per cent of female employees working in shutdown sectors such as retail and hospitality.

Online platforms offering the sex services have seen an explosion in subscriptions, with OnlyFans reporting a more than 75 per cent increase in sign-ups in the last month, gaining about 150,000 new users every 24 hours.

But women new to the business have been told they'll make little money in a saturated market crammed with performers offering sexual video content to online punters.

Linda Thomson of the Women's Support Project said the risks are high, including from stalking, scams and harassment.

She said: "Our concern is that women don't have all the information about these sites or the people using them.

"We are making a strong call that there needs to be protection and legislation and justice for these women and also from the sites."

STUFF OF NIGHTMARES: Pam with her late hubby in the living room

Now my Fred will ALWAYS be with me!

WIDOW KEEPS STUFFED HUBBY IN LIVING ROOM

WHEN Fred Coby keeled over from an inevitable heart attack, wife Pam was left distraught.

During nearly 40 years of marriage, Pam had pleaded with her hubby to rein in his love of fry-ups, 10 pints of Guinness a night and his 40-a-day smoking habit.

But former chemical worker Fred refused to listen to his wife's concerns, dismissing them as "nagging".

Alas, Fred's complacency caught up with him last November when he turned grey and collapsed in a dead heap at his combined 65th birthday-retirement party.

Brute

Pam said: "It was awful. I felt so alone.

"Yes, he was a brute of a man and the things he had me do after a skinful do not bear thinking about.

"But he was my husband and I could not bear to be without him."

It was soon after Fred's death that Pam, 63, of Nottingham, came across a macabre solution to her loss.

She said: "Fred had always told me that if he were to die, I was to go on the computer and delete all his 'Dark Web' links.

"I had absolutely no idea what that was but I did as I was told.

"And I was doing that when I found this advert for human taxidermy.

"It only cost me £15,000 to have Fred stuffed and I had that tucked away.

"I had him dressed in the same outfit he was wearing at his party, complete with his retirement card.

""It's what he would have wanted, to stay by my side forever. It's uncanny, they've caught him perfectly – those same cold, lifeless eyes. It's just like the real thing."

Pam admits that since giving stuffed Fred pride of placing in her living room, visits from friends and family have fallen off, "a bit".

Terror group's sick version of stay-at-home virus slogan

CHEEKY Al-Qaeda bosses have adapted Britain's virus stay-at-home slogan in their latest fatwa to swivel-eyed fanatics.

Everyone in Britain is now familiar with the "stay at home, protect the NHS, save lives" mantra that is set to be jettisoned later today in an address by PM Boris Johnson.

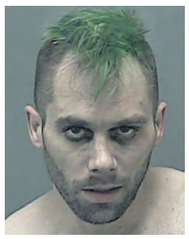
But the terror group responsible for 9-11 have tweaked the slogan in latest guidance for followers so it reads: "Stay at home, read the Koran, save wives".

One security operative said: "It seems like Al-Qaeda might actually have a sense of humour – the murderous bastards."

In earlier edicts, Al-Qaeda high command said the pandemic "has cast its gloomy, painful shadow over the entire world".

The terror group also gloated how COVID-19 is "a powerful tsunami devastating Americans and their once powerful economy."

Al-Qaeda was founded by Osama Bin Laden, who was killed by US special forces in 2011 – 10 years after the terror attacks on the World Trade Centre in New York.



Naked 'Joker' punched car

A NAKED man known as 'The Joker' was arrested following an incident that involved him punching a police car.

Officers were in a police cruiser when the naked man "jumped from the shadows" and started beating on the vehicle while yelling.

Cops said the man, identified as Samuel Bellamy, then ran away and began climbing trees in Kingsport, Tennessee.

When more officers arrived on the scene, Bellamy got down from his tree and ran towards a nearby car park.

He refused to comply with officers' commands and was tasered.

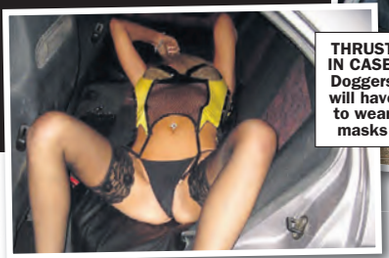
Bellamy – who is nicknamed 'The Joker' as he dyes his hair the same colour as the Batman baddie – told officers he had used meth.

He was taken to Holston Valley Medical Center before and then on to the Kingsport City Jail.

Bellamy is charged with disorderly conduct, indecent exposure, public intoxication and resisting arrest.

CAREFUL WATCH: Doggers have eye on safety

SEX PEOPLE PRAISED FOR 'SOCIAL DISTANCING' ROMPS



THRUST IN CASE: Doggers will have to wear masks

By SIMON DEAN
news@sundaysport.co.uk

PUBLIC health bosses have praised DOGGERS' "socially-responsible post-lockdown plans" for outdoor sex romps.

The dogging scene all but fizzled out in the weeks leading up to the measures, and Boris's ban on all non-essential travel was the final nail in the raunchy pastime's coffin.

Lockdown-breaking rogue doggers found themselves exposed by local quarantine vigilantes.

But with the PM expected to reveal a "road map" out of the restrictions in a broadcast at 7pm tonight, doggers have been keen to find ways to restart their mucky hobby – while keeping participants safe.

Dogging involves groups of men watching couples do sex in parked cars.

Paul Harrison, secretary of the Crewe and Nantwich Dogging and Outdoor Recreation Federation (CNDORF) said: "We've been working hard to find ways for people to participate in and engage with the sport in a safe manner, going forward.

"We have taken advice from experts to define best practice within the dogging community and in relation to the impact or impacts on the general population."

'Doggers have set the gold-standard for responsible post-lockdown behaviour'

Guidelines issued by the CNDORF include...

- Spectators to remain 2m from a "sexual activity locus",
- Temporary marks to define the 2m exclusion zone,
- Spectators and participants to wear surgical masks,
- No spectator-participant contact,
- No flying spunk.

Paul said: "We are rightly proud of what we have put in place here."

Last night a source at Public Health England said: "While I must re-emphasise that we are still in lockdown, the measures put in place by CNDORF are comprehensive, timely and sensible. I think it represents the gold standard in post-lockdown behaviour."

Dirty trucker nailed as triple killer – 30 years on

A LONG-DISTANCE lorry driver has been hauled in after authorities claimed they have linked his SPUNK to the killings of three women almost 30 YEARS ago.

Police arrested Clark Perry Baldwin (*left*), 58, at his home over the deaths of the women, including two who were pregnant.

Baldwin was nicked after cold case investigators used semen and other material recovered from the victims to develop DNA profiles of their perpetrators.

Last year, they learned that the same profile matched all three cases.

Detectives zeroed in on Baldwin after finding DNA in the commercial genealogy databases of someone related to the suspect's profile.

Last month in Waterloo, Iowa, the FBI secretly collected DNA from Baldwin's rubbish bin and a shopping trolley he had used at a Walmart store and it matched the profile.

Baldwin's job as a driver allowed him to travel widely and the murders took place in states far from his own.

In Tennessee, Baldwin is charged with two counts of murder in the 1991 killing of a 32-year-old pregnant woman from Virginia, Pamela McCall.

And in Wyoming, he is charged in the deaths of two as yet unidentified women, whose bodies were found in 1992 roughly 400 miles apart.

An autopsy determined that Pamela McCall had died of strangulation. Baldwin's sperm was recovered from her tights.

He has previous. In 1991, he was charged with raping a 21-year-old hitchhiker and trying to choke her to death.

He admitted assault but was never tried as the girl went missing.

Gator killed woman who tried to pet it

A WOMAN killed by an alligator in a pond tried to STROKE the reptile before the attack.

Cynthia Covert, 58, died after going waist deep into the pond on Kiawah Island – a gated community outside Charleston, South Carolina – to encounter the gator.

When Covert saw the alligator, she took pictures of it before wading into the pond.

The homeowners pleaded with her to keep away from the alligator, telling her it had eaten a deer days earlier.

"I don't look like a deer," Covert responded, according to a police report, before trying to touch the gator.

Covert fell into the water at some point. When she resurfaced, the homeowners tossed her a rope, which she grabbed hold of.

"I guess I won't do this again," Covert said, according to the police report.

But moments later the alligator struck, dragging her under the water.

Covert died of drowning, the Charleston County Coroner's Office said.

Free booze, fags and drugs for homeless

A CITY is giving tramps FREE booze and fags to persuade them to stay inside council-rented hotels during the coronavirus pandemic.

San Francisco has handed out either booze, tobacco or medical cannabis to 43 homeless people with addictions to deter them from leaving the hotels and potentially spreading the killer bug.

"They're doing San Francisco a great service by staying inside," said Jenna Lane, from the city's Department of Health.

"We're saying, 'We've doing what we can to support you staying inside and not have to go out and get these things'."

San Francisco is using hotels to house 270 homeless people who have either tested positive for COVID-19 or are highly susceptible to infection.

GET OUT OF MY WENDY HOUSE!

Frozen chicken shagger dumped by wife self-isolates in neighbour's garden toy

HARD-WORKING delivery driver Peter Cottingham just wanted a minute to himself when he nipped into his garden for a quick fag.

And all the stress of keeping the nation fed during these troubled times momentarily lifted from his shoulders.

By JAYNE FERGUSON
news@sundaysport.co.uk

That was until he glanced at his daughter's Wendy House and noticed it had a new occupant – his neighbour from two doors down known only to him as "Dirty Jim".

And the 34-year-old was even more gobsmacked when Dirty Jim explained why he was there.

Speaking from his semi-detached home in Chapel-en-le-Frith, Derbyshire, he said: "I couldn't believe my eyes. Sat in my Annabelle's Wendy House was this great lummox. He could barely fit in it.

"He tried to hide. But when he saw I'd clocked him, he stuck his head out and said, 'You'll never guess what happened?'

"I told him I didn't care and to get out before I call the police.

"But he insisted on telling me how his missus had kicked him out his house because she caught him shagging a frozen chicken and he had nowhere else to go.

"I told him I didn't care where he'd dipped his dick and to get out of my Wendy House.

"But he refused and I couldn't force him out, because I can't get closer than two metres to him.

"In the end the missus fetched his missus and she took him home.

"They must have patched it up because they were out have a picnic on the front lawn for VE Day on Friday.

"The dirty buggers had chicken sandwiches too."

We'd all love Neighbours like Caitlin!

SMOKIN' HOT: Caitlin tits-out in pic and (*right*) in *Neighbours*

EVERYBODY needs good neighbours…especially ones who sunbathe in their back garden showing off their firm breasticles!

But it wasn't just lovely Caitlin Stasey's neighbours who enjoyed the view – as it appeared online last week.

Rebel

The game 30-year-old – who played Rachel Kinski in long-running Aussie soap *Neighbours* – is pictured sucking on a stogie while reclining on a sun-lounger.

Caitlin is known as an Instagram rebel, one who frequently pushes the limits of the social media site's prudish "no nudity" rule.

One fan said: "I wish my neighbours looked like that. Mine are a bloody rabble."

EAT AND DRINK... BUT NO NOOKIE!

SEX people in Holland have been left dismayed after being told that nookie dungeons must stay shut when most of the economy re-opens in a few weeks.

Dutch PM Mark Rutte said restaurants, cafes and museums can reopen with restrictions from June 1 as anti-coronavirus measures ease, but sex clubs must stay closed until September.

Fake spy drugged kids for sex kicks

A MAN who pretended to be a spy has pleaded guilty to indecently assaulting around a dozen teenagers.

Alexander William George, 22, plied 11 boys and girls with cannabis, alcohol and cigarettes before he molested them.

George pleaded guilty in the Brisbane Supreme Court in Queensland, Australia, to 23 counts of indecent treatment of children under 16 years old and a raft of other offences committed between 2015 and 2018.

Among them were 14 counts of supplying a dangerous drug to children.

George was aged between 17 and 21 when he committed the offences, and the victims were mostly teenagers.

He befriended them, provided weed, alcohol and cigs and took them in his car, sometimes letting them drive.

George also convinced them he was a spy for ASIO – the secret intelligence service in Australia.

Justice Helen Bowskill sentenced George to four years and eight months in jail, suspended for five years, but ordered his immediate release on parole, after he served 16 months in custody.

Gun-charge lag flees with mask

A PRISONER escaped by putting on a face mask and posing as a fellow detainee who was about to be released.

Jahquez Scott, 21 (*above*) – who had been locked up on a weapons charge – promised Quintin Henderson £1,000 to swap places with him.

To complete his disguise, Scott put on a face mask and traded hoodies with Henderson, who was set for release without bail in a drugs case.

When guards called Henderson's name for discharge, Scott stepped forward in the get-up and signed his release papers – allowing him to escape from the Cook County Jail in Chicago.

Henderson, 28, is now facing charges of aiding and abetting the escape of a felon.

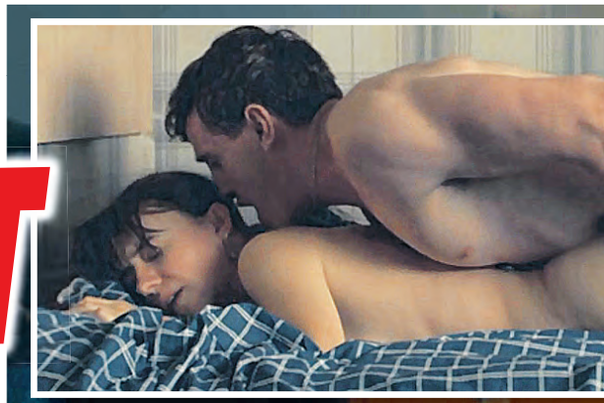
IS THIS THE HORNIEST SHOW THE BBC HAS EVER PRODUCED?



Critics thrilled by sex scenes in Normal People

By SUZIE SHELDON
news@sundaysport.co.uk

POOR, unloved BBC3.

Cast away into the digital abyss, it nevertheless has come up with some crackers.

The first series of *Killing Eve* was one, and now *Normal People* is another winner.

But while *Killing Eve* is all violence and chaste lesbo longing, *Normal People* is pure FILTH!

The coming-of-age story, set in Ireland – starring Paul Mescal and Daisy Edgar-Jones – is an adaptation of Sally Rooney's novel.

Its sex scenes have won plaudits for their sensitivity and "normality" – with all the slips, awkwardness and mishaps that occur in real-life.

But it is also mind-boggling explicit, with teat, minge, arse and even a bit of cock for the ladies and the gays.

Irish actor Paul Mescal, 24, admitted that being 'fully nude' on TV makes him 'slightly nervous'.

Intimacy

Paul revealed that on the first week of filming they had a 'full day of sex scenes' to which he didn't sleep the night before.

They worked with Netflix's *Sex Education* intimacy director Ita O'Brien.

Paul said: "On the first Friday of the first week, we had a full day of sex scenes. It's fair to say we were both incredibly nervous. That Thursday, I didn't sleep."

Normal People is available to watch on BBC iPlayer now.

Sheriff seeks re-ERECTION!

X-RATED SNAPS EMERGE OF LAWMAN

ELECTION: Sheriff Gregory Tony and (*below*) with his wife

RAUNCHY photos have emerged of a top cop partying half-naked alongside topless women at a SWINGERS' party – just as the lawman is running for re-election.

Sheriff Gregory Tony has accused his political opponent, former sheriff Scott Israel, of leaking the pics to keep him from winning again.

The now-sheriff of Broward County, who at the time was a sergeant at the Coral Springs Police Department in Florida, was seen in images at two events organised by a promoter for "erotic theme events, pool parties, strip and swing club invasions and group vacations".

In the photos, Tony sports tight-fitting swim shorts, sunglasses and no shirt at Bliss Nightclub, which describes itself as the "number one private party organisation, in the world, for young, fit, attractive bi-sexy women and couples".

The photos emerged amid new revelations that he killed a man in self-defence as a teenager.

His 2020 re-election campaign said in a statement: "This is another attempt by Scott Israel to smear Sheriff Tony's name and reputation.

"He tried to depict Sheriff Tony as nothing more than a black kid with a gun.

"Now Israel is stooping even lower by releasing pictures that instead of just attacking the sheriff, include his wife."

However, Israel has denied that he was behind the leak of the photos.

Big heap of body bags won't help

A COMMUNITY health centre treating Native American Indians issued an urgent call for medical supplies – but received "a box of body bags".

Esther Lucero, CEO of the Seattle Indian Health Board in Washington state, said: "My team turned ghost white. We asked for tests, and they sent us body bags!"

She said bags bearing tags that read "attach to toe" was a mistake delivery to the centre, which serves 6,000 people a year.

Abigail Echo-Hawk, the health board's chief research officer, said the sick shipment resonates among Native American communities across the US during the outbreak.

She said: "The Navajo Nation is in big heap crisis with cases.

"This is a metaphor for what's happening."

Exposure rap for boob show in own garage

A WOMAN who insisted to police she was allowed to go topless while cleaning out her garage – in full view of neighbours – was held for indecent exposure.

A resident called cops to report a neighbour who lives across the street when she pulled down her shirt "and exposed her breasts".

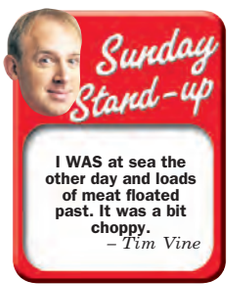
At one point, the witness said, the topless woman "bent over with her top down and started pounding on a blue plastic recycling bin, making sure that everybody was looking".

When cops confronted Stephanie Wright, 56 (*above*), "her tan tank top was tucked under her breasts and I could visibly see her breasts," reported Deputy David Ragley.

Wright refused Ragley's initial request to cover up, telling him: "No, I'm in my garage and I don't have to."

After eventually pulling her top up, Wright said she'd just been "cleaning out her garage" in Vero Beach, Florida.

Wright was handcuffed and told she was under arrest for exposure of sexual organs.



I WAS at sea the other day and loads of meat floated past. It was a bit choppy.

Naked witch trial: 10 held

TEN people have been arrested after stripping a woman NAKED in a village square and thrashing her for being a WITCH.

The saga started when 35-year-old Uday Mahto died after falling from a tree while pissed up.

The deceased's widow Kaushalaya Devi and other family members accused her sister-in-law Rita Devi of causing the death using witchcraft.

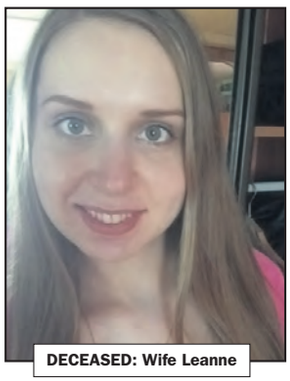
The 45-year-old woman was stripped and paraded naked in Khakhanda, near Bokaro in India, before being she was beaten and locked in a hut.

She was released when a police team turned up and a group of 10 people were held.

A police spokesman said: "An investigation has been launched under the Prevention of Witch-hunting Act 2001."

MY DEAD WIFE HAS COME BACK AS A SNAKE!

...And yes, we do have a full and active sex life



DECEASED: Wife Leanne

FOR grieving Timothy Bardot, a new pet seemed like the perfect way to get over the death of his much-loved wife Leanne.

And while friends and family raised eyebrows at his choice of a Burmese python, Timothy, 36, knew as soon as he saw the reptile that they would be the perfect match.

What he didn't know until three days later was that the snake he bought online was actually the reincarnation of his dead missus!

The IT technician, from Runcorn in Cheshire, says he is 100% certain the creature is the reincarnated soul of Leanne.

REUNITED: Tim and Leanne

He told *Sunday Sport*: "As soon as I saw the snake online something within spoke to me and said I had to buy it.

"My mum had been on at me to get a pet for company after Leanne passed, so I was on the lookout. But no-one really expected me to buy a snake.

"At first I was just happy to have her in the house and started talking to it, but after just a few days I was having a brew and put my cup on the coffee table without a coaster.

"The snake gave me the same look my Leanne used to give me when I did stuff like that and it was then I knew it was HER.

"I had to make sure so I did some experiments – I put dark clothes in with whites in the washer and she was furious.

"And when she heard me ordering an extra large doner kebab on the phone she started hissing like mad.

"Then I loaded up *Amateur Babes with Big Busters* on my laptop and she tried to break out of her tank!

"It was obvious my Leanne had returned.

"That night I kissed her tenderly and took her to bed.

Fanny

"It was like she had never been away. Apart from the fact that she hasn't got a fanny now.

"But we make it work in our own way."

Meanwhile, Timothy's mum Sarah told us: "Leanne's not dead. She left him for his brother before Christmas, and moved to Widnes."

Drunk with 'pussy on fire' arrested over false alarm

A WOMAN was nicked after drunkenly ringing the police to complain her "pussy is on fire".

Katrina Morgan, 50 (*above*), "asked if their hose was working to put the fire out", says the 911 operator who took the call.

Morgan has since been charged with disrupting public services and making false alarms.

When cops from Port Clinton, Ohio, arrived at Morgan's home she "became agitated and began resisting arrest".

After officers cuffed her, she then began shouting and would not follow their orders.

She only finally complied when police threatened to use a stun gun on her.

When police later questioned other residents living at the property, they denied seeing Morgan on the phone.

Empty bottles of alcohol were found and locals admitted they had all been drinking and that Morgan was heavily intoxicated.

BOOBS OUT OUTDOORS

8-PAGE SPECIAL

GOING outside. Remember that?

It seems like a lifetime ago that we were allowed to wander outdoors at will without a State-approved "valid reason".

Back then, you could leave your home as often as you wanted without having a stern-faced constable reading you the Riot Act.

Restored

Well, we did it once and surely we will do it again.

And let us hope upon hope that once freedom is restored – when the black wings of the Chinese death plague no longer hover over the United Kingdom – ladies will again be free to go around with their BOOBS out.

For that was the case – nakedness even – before our great nation was laid low by an oriental bat pox.

To remind us of happier times and the broad, sunlit uplands ahead, here are some pictures of lovely ladies getting topless and nude outdoors!

A BREATH OF FRESH PAIR: Lass airs hers

GROPE FOR IT: Beauties whip 'em out for a daring photo in full public view

'Nothing can beat getting 'em out!'

SARAH RANDALL, 29, 32HH, FROM CARDIFF

PUBES IN PUBLIC: Girls don't care who sees the whole lot!

STREET PHEW: Stunna gets rude in road

AS you can imagine, I love getting my boobs out – it's my job, after all.

But no matter how many times I get my big girls out in the studio, nothing is better than whopping them out al fresco!

I do a lot of work in California and a good many of the shoots are outdoors there.

It's not quite as sunny here in Britain but when I get the chance, out they come.

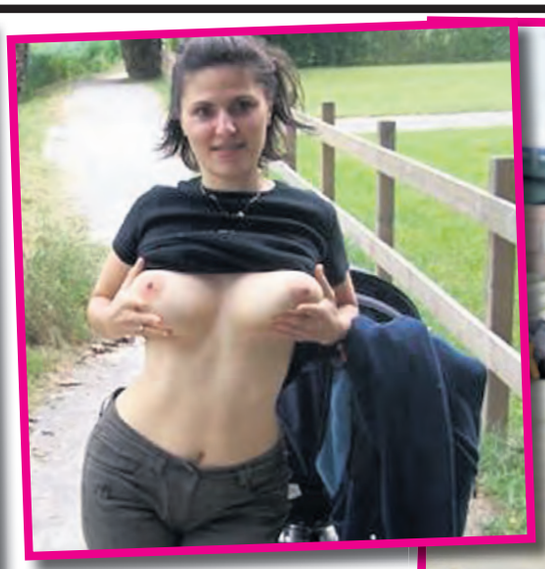
Polite

My favourite thing is to find a nice quiet corner of a park and sunbathe topless.

You'd be amazed that you can do that with hardly anyone noticing – and in this country, people tend to be too polite to say anything even if they do spot you.

That said, I've had more than a few offers to help with the suntan lotion!

TIT'S SO NICE OUT: Breasty beauty shows us her boys



SADDLE DO NICELY: Cyclist gets a treat as babe bares all in the street

TOWN AND COUNTRY: No matter where, babes love to bare!

McDonald's

10 things you might not know about McDONALD'S

THERE was a national sigh of relief last week when McDonald's announced they were to open 15 stores for takeaway only.

The delight was lessened when it emerged that all the reopening branches were in the south east and three were, for some reason, in dreadful Luton.

Here are some facts about the fast food giant in the UK...

1 THE first McDonald's in the UK opened in Powis St, Woolwich, south east London, in October 1974. The first three McDonald's in the UK are all former Burton's menswear shops.

2 RUTLAND is the only county in Britain that does not have a McDonald's. Yet. In January, councillors approved its first at Oakham.

3 THE Queen owns a drive-through McDonald's. The Crown Estate is the landlord of the Bath Road Shopping Park in Slough, where there is a McDonald's.

4 THE price of a Big Mac in 1974 was 43p – the equivalent of £3.91 in today's money.

5 ON the 1974 menu there was a burger called a McMariner, an early British version of the Filet-o-Fish.

6 McDONALD'S estimates that about 400,000 cattle are slaughtered in the UK every year to provide the beef for all its products – that's 46 animals every hour.

7 ITS bestselling item in the UK is medium fries.

8 ITS "mocha brown" uniforms were redesigned in 2012 and featured mustard yellow for the men and "gherkin green" for the women.

9 McDONALD'S UK head office is in Finchley. It was opened in 1983 by Margaret Thatcher, the Prime Minister and local MP. She described a Big Mac as "absolutely enormous" and doubted how anyone could hold it in one hand. She once said the same about William Whitelaw's cock.

10 THE so-called McLibel trial – when McDonald's took two activists to court over a pamphlet they had written about the company's ethics and the food's nutrition – is to this day the longest trial in English legal history, lasting well over a decade.

'All that fresh air makes me horny!'

LEXI LOWE, 28, 32E, FROM NEWPORT

YES, I really love getting my boobs out in the great outdoors – but getting my PUSSY out is even better!

I love walking in the countryside and being a healthy girl, all that fresh air makers me horny.

Panties

I like to get under a tree, whip off my panties and give myself a good fingering.

I was doing that once and this hunky hiker caught me at it.

I could have blushed but instead said: "Are you going to help me out, then?"

He took his backpack off, whipped down his shorts and plunged his huge cock into my sopping hole – I had a huge orgasm in no time.

Believe me, that was a marvellous f**k!

I could feel his sperm squelching inside me when I walked back to my car!

DEANO ON SUNDAY

These lockdown bedwetters will finish us all off

OH, how pitifully predictable.

Last Thursday, when it became clear that weeks of state-imposed house arrest might be partially lifted, certain sections of society started piddling their panties.

OMG! WE'RE ALL GOING TO DIE!

Within minutes the "hashtag" #*KeepTheLockdown* was trending on, of course, Twitter.

Here are some of the typical contributions on that theme:

"We simply have got to #*KeepTheLockdown* until it is safe for everyone."

So, until the virus has been wiped out, then. Which won't happen. Ever.

"Boris Johnson's proposal to ease the lockdown from Monday is essentially a death sentence to tens of thousands of people. It is criminal. We need to extend and tighten the lockdown to save lives and defeat the #*coronavirus*."

Have a cuppa, dear. Maybe sing the Red Flag to cheer yourself up.

Twat

One twat even turned to poetry:

"#*KeepTheLockdown* it must remain,

Please don't let the selfish win,

For thousands dead and still more dying,

Through Johnson's 'Take it on the chin'.

And more to follow, sad to say,

Might be you, or could be me,

Either way it just ain't right,

This truly Tory Tragedy!!!!"

OH F**K OFF!

No doubt if Twatter had been around 75 years ago then #*KeepTheBlackout* would have been trending on VE Day.

To the insane left, lifting the lockdown is part of a vast Tory plot to kill off the poor and Labour voters.

These headbangers are just plain STUPID. For a start, NO British government would seek the mass death of citizens.

Our politicians might be shit but they are not killers.

And for a second thing, the vast majority of people dying are older people, who tend to be more sensible and thus Tory voters.

Even if Boris was a psychopath – as the socialist-Remainiac axis would have us believe – would he deliberately kill off his voters?

Screaming

The idiots screaming #*KeepTheLockdown* loudest tend to be those who suck hardest on the State teat.

Clearly all that sponging has softened their wits as well as their backbones.

Look, stay in lockdown if you want. Nobody's stopping you.

The fact remains the country can't stay closed down forever. If the economy collapses there will be MOUNTAINS of dead bodies.

It is NOT the government's job to wrap us in cotton wool forever.

Personally, I'm going to stay at home for a lot longer.

Not because I'm afraid of the lockdown – but because the outside world is full of whingeing bedwetters who can't stop bleating #*KeepTheLockdown*!

BRITAIN'S BIGGEST MASTERCHEF FAN HAS HIS PRIZED SIGNED POSTER VANDALISED...

When I find who did this to Gregg Wallace, I'll kill them!

HE'S TOAST: Paul vows to murder whoever defiled his prized Gregg Wallace poster

CULINARY KINGS: Gregg Wallace with *MasterChef* co-judge John Torode

WHEN security boss Paul Franklin persuaded *MasterChef* host Gregg Wallace to send him a signed poster, he became the proudest man in Salford.

By SIMON DEAN

news@sundaysport.co.uk

The former nightclub bouncer and wheel clamper put the poster on the wall at his company HQ where it was admired by all who visited.

But on Thursday morning, 59-year-old Paul erupted in one of his infamous rages when he found that a vandal had scrawled a COCK 'N' BALLS on his idol's head!

Fury

Still trembling with fury, Paul seethed last night: "This is disrespect to me, it's disrespect to Gregg Wallace and it's disrespect to all those who enjoy *MasterChef*."

Paul has been a fan of the high-end cookery contest for years, having first become interested in the culinary arts watching *Ready, Steady, Cook* while in prison serving a sentence for "mind your own f**king business".

On his release, Paul soon progressed to *MasterChef* via *Saturday Kitchen* and "that one with the fit Irish blonde".

Impressed by well-built former costermonger Wallace, 55, Paul requested and received a signed poster.

He said: "That's the thing with your Gregg Wallace. Never forgets where he came from, never forgets the fans.

"That's why this act of wanton vandalism is such a disgrace."

Paul questioned his staff, which unfortunately led to one 43-year-old needing treatment at Salford Royal Infirmary after a mishap, but so far, nobody has owned up.

Paul, who was acquitted of a firearms offence at a trial last year after several jury members suddenly claimed to have developed dementia, hissed: "I'll find them and I'll kill them."

SEXY BACK END!

LOADS OF BABES, TELLY AND CHAT

Robyn's itching to get back to outdoor bonking!

By WENDY THOMAS
news@sundaysport.co.uk

RACY Robyn Alexandra reckons it will be weird when we finally get let out of lockdown.

For the 32F babe has been cooped up like the rest of us and now has welcomed new moves to remove the controls.

Nervous

But the hot Manchester lass, 22, said: "I imagine it's how people in the Midwest of America are like coming out of their shelters after a tornado has passed.

"Everyone will be a bit nervous and worried about what damage has been done.

"Me, I'm simply looking forward to some nice weather so I can get down to my favourite hobby – outdoor sex!"

My perfect Sunday...

Lauren Louise, 26, 34D, from Derby

SUNDAY Sport SEXY BACK END!

I LIKE TO FEAST ON A HUGE SAUSAGE!

By WENDY THOMAS
news@sundaysport.co.uk

DESPITE being locked down day after day, Lauren Louise's Perfect Sunday is – more of the same!

The beauty told us: "This sounds like a mad thing to say, what with us all being locked up for almost two months, but my ideal Sunday is being at home!

"Of course, I don't mean locked down at home – I mean a late lie-in, with a bit of naughties, then a big fry up.

Lashings

"And I mean big: sausage, eggs, bacon, beans, black pudding, tomato and – of course – a big oatcake to soak up all the egg yolk and bean juice.

"It has to be a proper Derbyshire oatcake, too. None of them flimsy Staffordshire ones.

"Oh, and lashings of HP Sauce, too.

"After that, I'm usually ready for another nap and a watch of the film in the afternoon.

"That's Sundays for me – nice and relaxed!"

SUNDAY Sport LEGENDS OF PORN

PART 106 GIANNA DIOR

THERE'S a reason behind gorgeous Gianna Dior's sensuous, exotic looks – she's part Native American, part Italian.

By PENNY MARSHALL
news@sundaysport.co.uk

She was born in 1997 in California as Emily Katherine Correro.

Though she was born in the Golden State, she says she's from Alabama because she went to high school and college there.

Both her parents were in the military so she lived everywhere while getting all grown up.

Gianna got involved in the adult industry after matching with an agent from Miami on Tinder, who suggested she should join him in Florida to do a trial scene.

At the time she was working two jobs –as a receptionist at an opticians and as a waiter at a sushi restaurant

She felt she had nothing to lose and accepted the offer – and hasn't looked back.

Fans LOVE her natural 32D boobs – and the fact she's MAD for anal!

RIDE ON: Gianna is a star for her love of anal sex

SUNDAY Sport SEXY BACK END!

NATIVE TALENT: Gianna's sensuous looks get men hard

PUB TALK

BEFORE the lockdown closed their doors, the pub was a great place to meet old mates, relax and have a laugh over a couple of drinks.

In happier times, our reporters visited British boozers up and down the country to ask babes all about their sex lives.

Thankfully, we got a few interviews "stockpiled" before all the pubs got shut.

In today's feature, we speak to Minnie and Daisy of Glasgow...

MINNIE DOBBS
AGE: 22
FROM: Glasgow
OCCUPATION: Telesales Executive
FAVE DRINK: Red wine
FAVE FOOD: Pizza and chips
FAVE FILM: *Avengers: Endgame*
FAVE ACTOR: Robert Downey Jr
FAVE HOLIDAY: Italy

DAISY BENSON
AGE: 23
FROM: Glasgow
OCCUPATION: Barmaid
FAVE DRINK: Gin and tonic
FAVE FOOD: Mexican
FAVE FILM: *Joker*
FAVE ACTOR: Joaquin Phoenix
FAVE HOLIDAY: Portugal

FAVE POSITION

MINNIE: I like being on top – you get maximum pleasure that way. It's just best for hitting the right spot for me. The reverse cowgirl is a great position, too.
DAISY: Yeah, I know what you mean – you get plenty of control that way.
MINNIE: What about you?
DAISY: I don't think they've invented a name for some of the positions that I like! But I really like spooning, you get really deep penetration that way.
MINNIE: I like that one as well, it's great first thing in the morning.

ONE OFFS

DAISY: I was in a club on a girls' night out, and copped off with some guy. We went to his place and it was pretty awkward. His friends were downstairs watching telly while we were upstairs bonking.
MINNIE: That's a bit embarrassing
DAISY: Yeah, and the sex was pretty painful, too, because he was so big and we had no lube to hand!

I don't think that we ended up finishing because it just put me off. You had any one-night stands?
MINNIE: Yeah, I ended up back at my place with this guy but it was so unromantic, there wasn't even any music on or anything. I think the guy was a real beginner because there was a lot of fumbling and he didn't really seem to know what he was doing. Luckily, I never had to see him again.

WORST TIME

DAISY: It was my first time definitely. It was just so embarrassing, and with my boyfriend at the time. We had sneaked upstairs to my bedroom but as we were doing it the headboard on the bed kept banging really loudly. It was like that the whole time we shagged, I was convinced we'd get caught.
MINNIE: Why's that?
DAISY: Well, it was four in the morning and the noise was so loud! But the moment just got the better of us because it was a long distance relationship and we just decided now was the time.
MINNIE: My first was also the worst. I think my legs were in the wrong place and I found it really hard work. He was quite heavy as well so that made it even worse. Halfway through I just started getting bored and wishing it would end.

GIRL-GIRL ACTION

DAISY: I have had fantasises about one of the girls on *America's Next Top Model*. She's really androgynous but really pretty and sexy, too. There was also a girl I really fancied in sixth-form and one weekend we got a bit close! But we didn't have much in common and it fizzled out. It was good while it lasted. Have you had any girly fun in the past?
MINNIE: There was a time I was with one of my best friends from college. I was really attracted to her and the thought did cross my mind, but in the end I just decided we were friends.

FAMOUS CRUSH

MINNIE: For me it has to be someone like Jessica Alba – someone with curves definitely. Maybe Kelly Brook.
DAISY: Yeah, women with curves are so much sexier.
MINNIE: Beyonce's sexy, too.
DAISY: Yeah, she's really hot.
MINNIE: I'm thinking Helena Christensen from around 1996 – she's still gorgeous to this day, though.
DAISY: I like a woman who's confident in themselves – that's the key to sexiness, as well as good looks.

LESBO SNOGS

DAISY: I've kissed a few girls – one time we were being filmed for some competition or something.
MINNIE: That's similar to me. I was out drinking with some pals and we just started kissing. I think there was some breast action involved, too. Some guy was filming it and it all got a bit embarrassing to be honest.
DAISY: I'd definitely be tempted to take it further, but it would have to be with someone I really fancied. At the end of the day, I'm up for experimentation.

MINNIE: Yeah, if I was kissing a girl I liked one night, it could go further.

BUM FUN

MINNIE: I've not tried it yet because I've never really trusted someone enough. I'd be worried about some really horrible guy doing it and then telling his friends. But I wouldn't rule anal sex out – I guess I'm just waiting for the right person.

DAISY: Well, I have to say I'm a big fan of it. I always have incredible orgasms when I have bum sex with a guy – I have to play with my clit a lot to really get going. Or it's nice if he uses a sex toy on me while he's up my bum. The key is to make sure you're really relaxed and ease a finger or two up there gradually first. Then build up the pace and let him use his hard cock.

'I like it if he uses a sex toy on me while he takes me up the bum'

WILLY SIZE

MINNIE: Oh my God, the biggest I ever had was massive – about nine inches. I remember wondering how it was going to work, but it was fine in the end. Let's just say a lot of lube was used that night!
DAISY: Blimey, you don't hold back do you?
MINNIE: Well, you could say that.
DAISY: I think my current boyfriend's is the biggest – about eight inches. The first time we did it I was so excited to get his pants off and start shagging I don't remember being shocked at the size of it. That came later – so to speak!

BEST SEX

MINNIE: The hottest was definitely in a hot-tub with my boyfriend. The sensation of the bubbles was great and it felt so naughty because it was in a garden. Having sex outdoors is a huge turn-on.
DAISY: Mine was with an ex-boyfriend – and also in a garden. It was just so wild!

THREESOMES

DAISY: I once had a threesome with two guys. There were hard cocks and spunk flying everywhere – I loved being the centre of attention!
MINNIE: I'd like to do it with two guys or two girls. Not fussy, really!
DAISY: I like the idea of being a dominatrix, too. That would be pretty kinky.

ORAL PLEASURE

MINNIE: Sometimes I spit it out and other times I think it's right to swallow. It just depends on who you're with.
DAISY: I think if it's your boyfriend you should swallow. One time I was with a guy and he made me spit it out all over his chest – he obviously found it a turn-on.

DRESSING UP

MINNIE: I've got some naughty outfits I keep for the bedroom. The one that always gets fellas going is my French maid costume, which I pair with stockings and high heels.
DAISY: I like to dress as a naughty nurse – I've got a PVC outfit which is great as it's so easy to clean!

Sunday Sport SEXY BACK END!

FINE FIGURE: Babe shows off her killer curves

'I don't watch much porn – I prefer to have sex on cam!'

MASSIVE STAR: See Busty in action on TVX

PARTY GIRL: Busty plays with two pals

LAST week we caught up with Television X's BIGGEST porn star – Busty Cookie – and had a chat about her life working in the adult industy.

She has appeared in many TVX classics, including political spoof *Hard BreXXXit* and the brilliant *Gobblecocks*, where she get up to naughty antics with co-star Kiki Minaj in front of their TV screen.

Here's what she had to say…

WHAT MADE YOU WANT TO GET INTO THE PORN INDUSTRY?

I SAW a beautiful BBW called April Flores in *Bizarre* magazine and she took my breath away!

I knew I had to pursue a career in porn and I found there was a massive demand for bigger girls.

WHAT PORN DO YOU WATCH AT HOME?

I THINK gay porn is so hot, but I don't really watch much – I prefer being in front of the camera and getting f**ked.

WHAT DO YOU HAVE PLANNED FOR THE REST OF THIS YEAR?

HOPEFULLY I'll be back shooting more this year for my website and OnlyFans page. I'm making a hot new movie for a film festival, going to all the naughty expos like AVN and VENUS, I'll be touring and of course doing lots of filthy things on my webcam.

YOU'VE WORKED WITH SOME HUGE STARS – HAVE YOU GOT ANY FAVOURITES TO PERFORM WITH?

THERE is a new star called Atlanta Moreno – I love to shoot with her – who is a gymnast and Babestation girl. We'll definitely be f**king again soon!

WHAT'S THE BEST THING ABOUT BEING A PORN STAR?

I HAVE travelled all over the world, meeting and playing with all sorts of people in the industry – the hottest models, makeup artists who make me look great, and being recognised by fans who are so sweet and happy to see me!

WHY DO YOU LOVE TELEVISION X?

TVX is the best company in the UK! They have always been so inclusive and shown so much love. I'll always support and rep TVX and I can't wait to do more films with them – like *The G Team*, *Large & In Charge* and also *New Recruits* which was produced and directed by the amazing Ric Porter. Thank you Television X!

TODAY

TOMORROW

***Hospital Special: Fighting COVID-19* – BBC2, 9pm**

PART one of two. The documentary returns to follow the day-to-day realities the NHS faces in tackling the coronavirus pandemic, following staff and patients at London's Royal Free Trust from the first day of lockdown.

The Royal Free Hospital's emergency department is inundated with patients displaying symptoms, among them 88-year-old Peter, who is struggling for breath.

He is quickly put on oxygen and moved to what was the coronary care unit, but has now become a ward for COVID-positive patients.

How James Bond bamboozled Hitler

***Operation Mincemeat* – BBC4, 9pm**

IN a documentary based on his book of the same name, Ben Macintyre presents the story of how Britain deceived Hitler into thinking the Allies were planning to invade Greece in 1943, allowing them to land in Sicily – their real target – with minimal resistance.

The brainchild of James Bond author Ian Fleming, the deception is thought to have saved thousands of lives.

OF THE TELLY

By BARNEY SAMUELS

Lemon's now a crafty one!

The Fantastical Factory of Curious Craft – C4, 8pm

YOU can imagine the brainstorming meeting at C4: "Crocheting with Keith Lemon? Brilliant! Let's make it!"

Keith and Anna Richardson host this crafting series in which innovative creatives from across the UK use their artistic talent to produce spectacular things.

In this first episode, former actress and artist Jayne, shop manager Samuel, 3D design graduate Annie and tattoo artist Ann produce epic creations.

In the first task, they make mythical creature puppets in a bid to impress Keith and be picked to go through to create a one-off craft for celebrity client Eamonn Holmes.

Walking with Elephants – C4, 9pm

EXPLORER, conservationist, author and presenter Levison Wood treks alongside hundreds of elephants on their annual migration across Botswana.

He gets up close and personal for the first time with a group of orphans and takes part in an ancient ceremony, before setting off into the bush in search of a herd to follow.

Following potentially dangerous encounters with a buffalo and a pride of lions, Lev finds his first herd, but is forced to leave them alone when one threatens to charge.

Dirty Dancing – C5, 10pm

A DANCE instructor at a 1960s resort hotel fears his career will be jeopardised when his regular partner is forced to pull out of an important show in which they are due to perform.

Luckily, a naive teenager is happy to step in, and is treated to a whirlwind holiday education in life, love and expressing herself.

Romantic drama, starring Patrick Swayze, Jennifer Grey and Jerry Orbach.

Put the missus in front of this and you're bound to get your nuts emptied afterwards.

TUESDAY

First Dates Hotel – C4, 9pm

MAÎTRE D' Fred Sirieix and his staff take care of another group of singletons hoping to find love while staying in a luxury hotel.

Last week saw online acquaintances Georgia and Rachael meet by chance at the hotel pool.

Now they are on dates with their male matches – only for one person to be left with a difficult dilemma that could result in a broken heart.

Meanwhile, antiques dealer Alex and opera singer Hannah check in for their romantic rendezvous, and sparks fly when cab driver Josie meets plumber Martin.

Ian Brady: Monster of the Moors – C5, 10pm

ONE for the real-life crime fans.

This documentary was originally made to mark half a century since the Moors murderer Brady was sentenced to life imprisonment.

With evil Myra Hindley he had tracked and tricked children into joining the pair, who horrifically tortured them before killing them and burying them on the Saddleworth Moor in the Peak District.

Among the contributors are prison officers, detectives, relatives of victims, pen pals and inmates who served time with him.

They reveal how Brady showed a psychopathic lack of connection with his crimes.

DON'T MISS THIS!!!

TWIN BABES A REALLY PREETI PAIR!

By WENDY THOMAS
news@sundaysport.co.uk

WHOA! That's not social distancing...

But don't worry, Preeti and Priya Young are twins – and besides, they stripped off for this sexy photo shoot long before lockdown was imposed.

The topless twins, 24, both look sensational and happily flaunted their matching 30FFs.

And, despite most things in their lives being similar, the babes revealed they have very different shagging fantasies.

Priya said: "I've got a thing about getting caught and being watched. It just makes me feel really naughty.

"So my fantasy would be to do it somewhere like in a park."

Preeti would prefer to take her shagging skills sky high and said: "I love the idea of joining the Mile High Club by having sex on a plane.

"Maybe the next time I can get away with my boyfriend, we might just nip for a quick one in the loo!"

Brooke: If you've got it... flaunt it!

SUNDAY Sport SEXY BACK END!

BLONDE bombshell Brooke Lea loves showing off her sensational body – and who can blame her?!!

The Somerset stunna, 27, flaunts her figure and parades her incredible 32FFs every time she's out and about.

She said: "I love showing off my body – especially my boobs – and I don't mind at all when I catch men drooling over them in public.

"I sometimes even wiggle my top down so they get even more of an eyeful – it's so funny to see them squirm when their wives realise what their man is staring at!

"That's why I got into glamour modelling – I feel so sexy when I'm in front of the camera.

"Especially when I'm wearing really sexy lingerie – or when I'm completely naked!"

HOT RUB KEEPS PINK PERKY!

GENUINE nympho Sharon Pink fears she may rub her clit clean off because she's masturbating so much in lockdown.

And the 36H bra-buster groaned: "I am desperate for a cock in my wet vagina and one in my tight anus.

By JAYNE FERGUSON
news@sundaysport.co.uk

"I have been without cock inside me for more than six weeks now and, even though I masturbate, it is not as good as a man thrusting inside me and loading the inside of my vagina with his hot sperm."

Sharon, originally from Brno, Czech Republic, but now living in Stoke-on-Trent, added: "I also like sperm in my anus, too.

"I put finger in there, get it covered in anus sperm and suck it. I am dirty girl, no?

"Will it be your sperm in my anus? I need sex. I go mad without the sex."

THE WORLD FAMOUS AGONY Page

Dear Tess,

A MATE introduced me to bell ringing which I always thought was as boring as f**k.

I did it for a few weeks and was about to knock it on the head when a stunning brunette joined us.

My interest was reawakened and one night as we walked home together she asked me if I wanted to lie on the grass with her.

She soon unleashed my cock and sucked me off until I came in her mouth – and she swallowed the lot.

She hasn't been back to ringing practice since.

Did I do something wrong?

SW, email

Tess says...
IF you have a number for her then give her a call. But maybe you just don't ring her bell.

Dear Tess,

MY husband and I have tried and enjoyed many different things in our adventurous love-making.

Recently we decided to try some kinky bondage games but they all turned out to be a painful disaster.

My husband insisted on me playing the role of the dominating lady, and I set about tying him up.

Unfortunately the only cord we had at hand was a length of plastic clothesline, which made his wrists sore.

Next I stuffed a rolled-up pair of tights into his mouth to work as a gag, but I used too much force and loosened one of his teeth.

Finally my long-suffering lover urged me to lash his backside with a belt. But I picked up the wrong end, and the buckle gashed his buttock.

Now we've decided to abandon the bondage game.

TP, Cheshire

Tess says...
TRY watching some S&M porn together – you'll see how the experts handle things more safely.

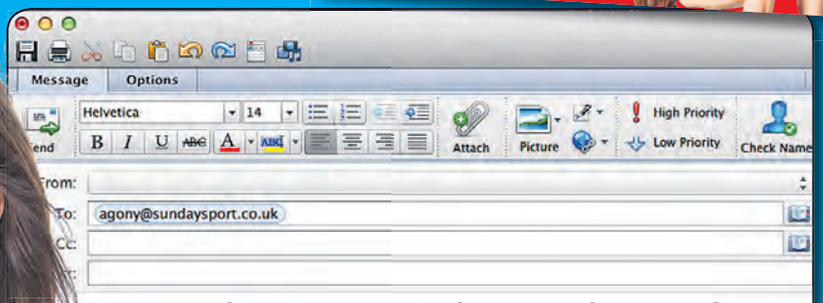
SEXY SOLO BABE IS ROCKIN' LOCKDOWN!

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week TESS O'REILLY has been reading through your letters and emails. Here's her advice...

SUNDAY Sport SEXY BACK END!



Horizontal jogging fun with my athletic missus

Dear Tess,

I'M a big fan of women's athletics – there's nothing like a toned lady in a little vest and shorts showing off her camel toe.

While I've never wanked off on a piece of athletics gear, the idea does appeal to me.

My girlfriend is an amateur athlete and I love to watch her compete.

The other month I had a raging hard-on by the time she finished a race, and later when she felt my cock she suggested we head to the corner of the field.

After a while of her slurping on my cock I eased down her little shorts and slipped my pink javelin up her.

While I was at it I saw a couple of fit female athletes watching us and fingering themselves.

I blew my load big style – but am I perverted?

WS, north London

Tess says...

NO, just a bit randy.

Dear Tess,

OUR babysitter is trying it on with me – she's 18 and very cute, but I really don't want to ruin what I've got with my wife.

However, every time I see the sitter she looks at me with her come-f**k-me eyes and makes it clear she wants a bit of me.

She is always crossing and uncrossing her legs while sat right opposite me on the sofa – flashing her little panties at me and smiling.

My wife has no idea what she's doing, as the sitter is always very careful when and where she gives me her "eyes".

I know it's wrong but I would love to get her in the sack and show her a thing or two.

If she keeps it up then I think I'll eventually succumb to her charms.

Should I?

BB, Dundee

Tess says...

BABYSITTERS can be dodgy ground for a lot of married men. You need to tell your wife what she's been up to, and then get shut of the sitter.

Dear Tess,

I'M 25 and have only just lost my cherry – shagging a brassy blonde bird from the local pub outside the boozer, as I had her bent over the recycling bins in the car park.

When I got back in the pub, everyone was cheering me.

Turns out my mates had slipped her £50 to shag me and they'd caught it all on the pub's CCTV.

I feel a right clown now.

HR, email

Tess says...

WELL at least it's out of the way, and you can crack on!

I am the one and only... you can't take... hang on...
No use! Can't get my fingers around this G#!
Well that was a disaster! Chesney Hawkes must have HUGE hands to play those chords! Hmm... I know! I'll masturbate to orgasm on social media instead!
There! I'm sure people would much rather watch this!
BUNG!
Tess says... YOU'RE probably right!

Roxie's hot for a hard cock!

RAUNCHY Roxie hit the big time after she was spotted working in a Polish food shop!

The beauty said: "I was born in a small town near Warsaw but when my friend's uncle opened a Polish deli in the UK I got the chance to come over here to make a living.

"I had only been working there for a week when a photographer came in and said that I should be doing modelling work instead."

Later that week Roxie, 28, posed for her first topless shoot with the same snappa and a month later featured in her first 'held open' spread for a topshelf mag.

The 38DD babe said: "Now I do full boy/girl stuff, which is good as I LOVE the rock hard cock!"

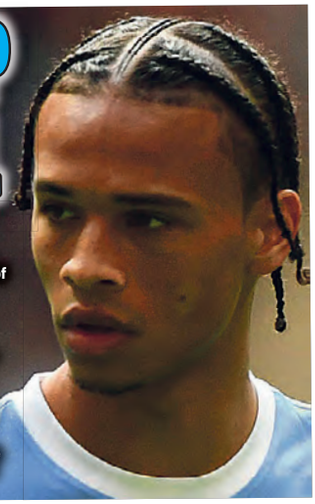
SANE EYES UP BAYERN DEAL



LEROY Sane has taken a big step closer to signing permanently for Bayern Munich.

The Manchester City winger is on loan at the German giants and has made no secret of the fact he wants to stay.

Now reports in Bavaria suggest he has agreed the terms of a contract with the Bundesliga giants.

It seems that the clubs just have to agree a fee for the transfer to happen. That could be the sticking point.

Sane has one year left on his Etihad deal and Bayern have offered just the £35m City paid Dortmund for the winger.

That has enraged the Premier League side who have said they want much more — or he can come back and play one more year.

ARSENAL WANT MAUR

Inter offer Icardi swap for Auba

INTER MILAN are ready to offer Mauro Icardi in a swap deal for Pierre-Emerick Aubameyang.

The Gabon striker looks likely to leave the Gunners when the transfer window opens.

Aubameyang says he wants Champions League football which will be on offer at the San Siro giants.

Icardi is likely to take some persuading given he's currently on loan at Paris St Germain.

Arsenal aren't likely to be in Europe next season, which will be a major sticking point.

But the 27-year-old's head could be turned by the huge wages on offer at the Emirates.
